Remarks

Amendments

Claims 6 and 26 have been canceled by Examiner's amendment. Claim 7 was amended to depend from claim 5 instead of canceled claim 6, and claim 27 was amended to depend from claim 25 instead of canceled claim 26, also by Examiner's amendment. Claim 7 was also amended to delete the term "4-imidazolylmethyl" by Examiner's amendment. However, claim 27 was also to have deleted "4-imidazolylmethyl": the current 312 amendment simply effects that.

No new matter is added thereby.

Applicants submit that the application is now in condition for issue. Such action is respectfully solicited. If there is any question or disagreement that can be resolved by telephone, the Examiner is invited to telephone the undersigned at the number below.

Respectfully submitted,
